About Us :-

FIX IT is an innovative, multifunctional mobile application designed to address challenges faced by students: finding affordable and safe accommodations, accessing valuable educational resources etc. This platform simplifies the process of searching for Paying Guest accommodations by allowing students to filter results based on location, price, amenities, and proximity to colleges. Students can browse listings, view detailed descriptions and reviews, and directly communicate with landlords, ensuring they find housing that meets their needs. Additionally, **FIX IT** partners with trusted accommodation providers, offering discounts and exclusive deals, making housing more affordable. The app also supports booking directly through the platform and provides assistance with moving logistics. Beyond housing, **FIX IT** enhances students' educational experiences by offering a range of resources including textbooks, e-books, and reference materials, available for purchase or rental. It also integrates online tutoring services, where students can connect with qualified tutors for one-on-one sessions in various subjects, and provides exam preparation materials like study guides and practice tests. To further support academic success, **FIX IT** features forums and communities where students can collaborate, share resources, and discuss academic topics with peers. In terms of monetization, **FIX IT** generates revenue through commissions on PG bookings, subscription models for premium educational content, and partnerships with universities, coaching centers, and other educational institutions for exclusive discounts and services. Overall, **FIX IT** provides a comprehensive solution for students, combining both housing and educational needs into one platform, ensuring their academic and living experiences are streamlined, stress-free, and successful.

Introduction :

Welcome to **FIX IT**, a revolutionary multipurpose app designed to make student life easier and hassle-free!

In today's fast-paced world, students face numerous challenges in managing their daily needs. **FIX IT** is here to bridge the gap by offering:

- Hostel & PG Locator – Find safe and comfortable accommodations near your college effortlessly.
- Instant Stationery Delivery – Get your study essentials delivered within 5 minutes.
- Tiffin Services – Enjoy healthy, home-like meals delivered to your doorstep.
- 24x7 Student Assistance – Round-the-clock support for emergencies, academic help, and mental well-being.

Our mission is to simplify student life by providing essential services at their fingertips. With **FIX IT**, students can focus on what truly matters – their education and growth.

Our Vision :
